THE BOARD REVIEW UPDATE ON OAK LAWN TAXES

The Board of Directors did not have a second meeting in December, but we thought it would be a good time to share historic information on taxes levied by the various taxing bodies in the Village of Oak Lawn. This data does not include the tax levy for 2015, which is payable in 2016. The majority of property taxes paid by residents fund our schools. The Village's portion is approximately 12% of a resident's property tax bill. The yearly percentage increase by taxing body, averaged over the past five years, is illustrated below. The Village of Oak Lawn is the only taxing body that has lowered your tax levy. Follow the link for more data regarding the chart below.
