## **OAK LAWN: PREPARATION FOR THE NATO SUMMIT**

As you may know the City of Chicago is hosting the NATO summit on May 20th and 21st. Historically, these events have seen instances of mass protest and civil unrest. While none of the summits venues are in Oak Lawn, we are anticipating that there will be demands placed on Suburban Departments including ours.

Our Police Department has been planning for this event for several months. We have every confidence that they will be ready. We are also asking for your assistance in helping keep our community safe. There are a number of steps you can take:

**IF YOU SEE SOMETHING, SAY SOMETHING:** If you see suspicious activity or unusual graffiti anywhere in our town contact the Police at 708-422-8292.

**KEEP INFORMED:** The Village can provide you with important and rapid information if you have registered with our Emergency Alert System. You will find a link on the Village Web page or you can paste the below link on your web browser:

This is a free service. It will be good to have not only for events like the NATO summit but Weather related or other emergencies which occur throughout the year.
