The Caring Never Ends...

Even though school is out for summer, D123 continues to serve even the feathered members of our community. Hometown Police and Fire and the District 123 maintenance staff helped save a family of baby ducks from a catch basin Wednesday evening.

After removing the manhole cover, the Hometown fire department lowered themselves in the manhole and removed nine ducklings. The family of ducks was placed safely in the shade at Hometown Elementary where they were last seen recovering from all of the excitement. The next time you are driving by Hometown Elementary, try and spot the flock; they could be seen walking together on Thursday morning.

Benefit for Becky Clifford

On November 9, 2013 from 2 pm until 7 pm at Bourbon Street, there will be a benefit for Becky Clifford. Becky Clifford was going into her house when she misjudged the height of the stoop, tripped, and hit her forehead so hard on her windowsill that she was unable to move and was rendered quadriplegic. Throughout the last five years, your unwavering support and encouragement have been the driving force that has pushed Becky beyond her limits and motivated her to create a "new normal" for herself. Despite her chronic pain and limited mobility, her compassion and empathy towards others has never faltered. Becky's stoic display of bravery and courage over the last past five years has been nothing short of inspiring. As is the case with many high level spinal cord injury patients, Becky's immune system has been forever compromised by her injury and she will always be at risk for infections, blood clots, skin breakdowns, lung and breathing problems, fractures, muscle spasms and stroke. Through your generous donations in the past, Becky has been able to continue to live as independently as possible with the assistance of a power wheelchair, motorized exercise bicycle, a computer with specialized software, a wheelchair accessible van, and a 24-hour caregiver who helps Becky with bathing, daily transfers from her bed to her wheelchair, daily exercises, feeding her meals as well as helping her with every thing she needs to do and would like to do in a day, but is unable to perform on her own. Becky lives in Oak Lawn with her 24-hour caregiver and her mom, who sadly has had her own health issues after suffering a heart attack and a stroke last year. They are constantly plagued by the enormity of the medical and care-giving costs facing the family. Many of Becky's expenses, including her 24-hour caregiver, are not covered by insurance. For the last five years, Becky's annual expenses have far exceeded the amount she gets from the disability benefit she receives.

The money raised will go to keeping Becky in a similar lifestyle. Raffle tickets will be sold for \$25 each with prizes of \$250, \$500 and \$750! The benefit will have live auctions, wonderful raffle baskets, split the pot, a band, and grand prizes.

- 2 Visit www.CookRecorder.com and click on the FREE PROPERTY FRAUD ALERT logo.
- 3 Select the **red CONTINUE button** and read and accept the Terms of Service.
- 4 Enter your name and whether you want to receive alerts by phone or email, then enter your PIN. (If you select email, make sure to check your Junk or Spam folder to authorize emails from PFA).
