# MAYOR'S MUSINGS

Only 50 out of 7,000 Illinois taxing bodies in Illinois have earned this special recognition.

## Village of Oak Lawn Receives Coveted Illinois Policy Institute's Sunshine Award!

- Let the sunshine in! Mr. Brian Costin of the Illinois Policy Institute attended our January 28, 2014 Board of Trustees meeting to present Oak Lawn with the coveted Sunshine Award and congratulate Oak Lawn on increasing transparency from 36.9% to 86.1%. The Illinois Policy Institute's ranked Oak Lawn based on its 10 Point Transparency Checklist for good governance.

### From [IllinoisPolicy.org](http://IllinoisPolicy.org):

*Online transparency is one of the best tools local governments can use to deter government corruption. But in a state ranked as the third-most corrupt in the nation, far too many of the Illinois' communities remain in the dark. Only 50 local taxing bodies in Illinois, out of the nearly 7,000, have earned the Institute's Sunshine Award for scoring an 80 percent or better on the 10-Point Transparency Checklist.*

We are very proud of this achievement, which is only the beginning for what we hope to achieve. I would like to thank Josh, Joanne and Tom for their steady push to make this a priority as our website was re-designed.

# Show You Care! Learn CPR

Free American Heart Association "Friends and Family" Basic CPR Training Course

90 Minutes of your time can save somebody's life!

Almost 80% of sudden cardiac arrests happen in the home. 92% of victims don't survive, often because people around them don't take action and begin CPR. You can help change this statistic by learning the simple skills of CPR. Use the Facilitator Guide to help pass on skills training to others.

## Future City Competition at UIC

This past Saturday, three 7th grade students competed in the 2014 Future City competition at the University of Illinois at Chicago. Nancy Kane, Sarah Murczek, and Cassidy McCormick, were awarded 4th place in the competition.

Future City is an education program that gives students an opportunity to think like city planners and engineers. Students considered many issues including planning and maintaining their city, taxes and services, emergency, transportation and education matters, zoning and infrastructure, and location.

"The girls worked on the project for months, putting in countless hours after school and on weekends, mostly with the help of their families, particularly Nancy's father, Mr. Kane," reported OLHMS Math teacher, Mary Doran.

Both Mrs. Doran and OLHMS Art teacher, Mara Petraitis, enjoyed their time at UIC cheering the girls on. "It was awesome to see our OLHMS students advance to the top 5 as the only all girl team!"

## **Indoor Carnival and Family Fun!**

Ladies and Gentlemen, Boys and Girls, Children of all ages...it's that time again for the D123 Family Health and Fun Fair!

The District 123 Educational Foundation is joined by Advocate Children's Hospital in sponsoring the Family Health and Fun Fair. This decades old tradition will be held Saturday, February 22, 2014 from 11:00 a.m. to 3:00 p.m. at Oak Lawn-Hometown Middle School.

The event – rejuvenated in 2014 after a one-year hiatus – brings an indoor carnival and family fun to the community. The fair will offer an array of inflatable jumpers, carnival games, circus-themed concessions as well as family-friendly activities geared toward eating and living healthy.

Currently, we are seeking D123 families to help this community event run as smoothly as possible. As an incentive for volunteers, the D123 Foundation is offering 20 free tickets to any parent who offers at least two hours of their time on the day of the event.

Consider sponsoring the event with a monetary donation as well. And, above all else, please put the event on your family's calendar to attend. We look forward to seeing you!

Please visit [www.d123.org/edfoundation/](http://www.d123.org/edfoundation/) for more details.
